

## **COMMUNITY POLICY**

**DeltaSBD considers community relations to be an important part of doing business.**

**DeltaSBD encourages community involvement - from employees participation in sporting activities, to community groups.**

**DeltaSBD personnel are expected to understand that they are guests of the community and should act in a proper manner, ensuring no inappropriate impacts on the local community or its values. Employees are responsible for not only their behaviour but also that of any guests they may have.**

- *Donations/Sponsorships*

*DeltaSBD are active sponsors of many children sporting teams and groups. DeltaSBD understands community/volunteer groups are very important to small communities and donations can be made to these groups upon formal request.*

- *Local Businesses*

*DeltaSBD promotes the use of local businesses and understands the support of DeltaSBD and its employees is of value to these local businesses. We will endeavour to purchase goods and services from local suppliers where those goods and services can be sourced at a fair price and within a reasonable timeframe.*
