

Underground Coal - Diesel Fleet

Hunter Valley Region

Delta SBD Limited is a leading contractor in the underground coal sector, offering the most extensive range of specialised services and skills to the coal industry in New South Wales and Queensland.

MAINTENANCE COORDINATOR

SBD Services Limited, a wholly owned subsidiary of Delta SBD Ltd, is seeking to employ an experienced Maintenance Coordinator to support our Fleet Manager in the ongoing management of our large Equipment Fleet. The position will be based in our Rutherford Office with some short term travel to our operating sites in NSW and Qld, as required.

Suitable applicants with appropriate engineering qualifications and underground coal mining experience will be well regarded, along with:

- Strong leadership and commitment to safety;
- Team orientation;
- Excellent interpersonal and communication skills with the ability to build and maintain strong client relationships
- Previous experience with budgets, cost control and purchasing;
- Ability to plan, organise and meet deadlines with minimal supervision; and
- A drive to meet high performance standards.

A competitive remuneration package and an immediate start available to successful candidates.

To apply, email a detailed resume to:

jobs@deltasbd.com.au

For further information regarding the role please contact Rob on 0417 630 999.

Applications close 15 June 2010
