

Underground Mining Opportunities Berrima Colliery

DeltaSBD Limited is a leading contractor in the underground coal sector, offering the most extensive range of specialised services and skills to the coal industry in New South Wales and Queensland. Our range of services includes, whole of mine operation, contract development work, longwall relocations, civil excavations and general mine services work.

EXPERIENCED UNDERGROUND MECHANICAL TRADE

Due to our continued expansion and growth, Delta Mining Pty Ltd, a wholly owned subsidiary of DeltaSBD, is seeking to employ a mine experienced Mechanical trade for "whole of mine operation" long term contract in the Southern Highlands region of NSW. The Southern Highlands is surrounded by bushland and national park wilderness areas and just over 1 hour drive from south-west Sydney on the freeway, and less than 1 hour from the coast and beautiful beaches.

If you have the appropriate qualifications and underground coal mining experience, along with:

- Strong leadership and commitment to safety;
- Team orientation;
- Customer focus; and
- A drive to meet high performance standards.

In return we offer:

- Excellent conditions of employment
- Variety of work
- Favourable rosters
- Great team environment
- Great training and development opportunities
- Potential for advancement

We would love to hear from you.

Immediate start available for successful candidates.
